Bourbon Fair Directors Meet.

The Board of Directors of the Bourbon County Agricultural Society met Wednesday and transacted business relative to the holding of the annual county fair in September. President J. M. Hall presided over the meeting with Secretary C. A. Webber present. The Board reached a decision that all rings for Shetland ponies would be held on the first day of the fair. Mayor J. T. Hinton was appointed a committee to secure the services of a competent person to compile the catalogue for the fair, while Directors

Hinton, Lowry and Webber were appointed to secure amusements for the annual exhibition. A first and second premium for the finest herd of Jersey cattle will be a feature of the exhibit this year. After transacting other business of a minor importance, the board adjourned.

Hold Up!

Don't let any one tell you that this flour is the "just as good" kind. There is positively no flour on earth that can beat "PURITY," and very few brands that can compare favorably with it. Ask the good housewives who use "PURITY"—they know.

Paris Loses Opening Game.

Paris lost the opening game of the season to Lexington by the score of 7 to 5. A combination of errors by Paris, a base on balls and four scratch hits Lexington piled up a lead of 6 runs which the Bourbonites could not quite overcome. Outside of the first inning it was an excellent game and Paris has much the best of it.

Maxwell started in the box for Paris and after three runs had been scored with no outs in the first inning he was relieved by Scheneberg with two men on bases. Had Maxwell received the support the team is able to give him he should not have been score on. Scheneberg succeeded Maxwell and allowed only three scratch hits, a single in the first, a double by Yancey in the second and a single in the third. He was a trifle unsteady in the opening innings and gave several bases on balls but soon steadied down and pitched magnificent ball. Holder was a nice catcher and will show a much better performance his next time out. Eddington and Barnett started at the bat, each getting a two-bagger and Barnett getting a single in addition. Yancey robbed Eddington of a three-bagger or a home run to deep center by a lucky catch in the ninth. The score by innings follows:

Innings	1	2	3	4	5	6	7	8	9
Paris	0	0	0	0	0	0	1	0	1
Lexington	6	1	0	0	0	0	0	0	0

Batteries—Robbins, Chase and Eddington; Maxwell, Scheneberg and Holder. Earned runs—Paris 1. Two base hits—Yancey, Barnett, Eddington and Dunlap. Base on balls—off Scheneberg 5; off Robbins 1; Chase 2. Struck out—by Scheneberg 5; by Robbins 1; by Chase 3. Errors—Lexington 1; Paris 5. Hits—Lexington 6; Paris 7. Passed balls—Holder 1. Time of game—two hours and ten minutes. Umpire—Wilkinson.

The pitching honors for today's game lies between three of the Paris twirlers. Manager McKernan will send in either Winchell, Poole or McCormick to handle the Colts.

Half Holiday Requested by the Mayor.

Feeling that the Paris Base Ball Club should have the support of every lover of the game in the city of Paris, Mayor John T. Hinton has issued the following request to the business men of Paris asking them to close their places of business during the hours of the game to allow their employees to attend:

"In behalf of the Paris Base Ball Club it is requested that the merchants of the city close from 3 to 5 o'clock this afternoon in order that their employees may have an opportunity to attend the opening game of this season."

Respectfully,
"J. T. HINTON, Mayor."

Will You Let It Happen Again?

You took the tailor's suit, though dissatisfied you were. You know distinctively it didn't fit and the tailor couldn't correct it. You didn't want to be considered a "mean man" by the tailor, so you paid for the suit and hated it forever after. Don't let it happen again. Why take a chance with the tailor-made? You are sure of a perfect fitting suit at our store whether you are tall, short, lanky or fat. Try on one before our long mirrors—study it from every angle—if it isn't perfect, we don't want you to buy it.
